PRAYER PARTNER NEWSLETTER

I PRAISE YOU LORD:

- 2,286 campers have already registered for summer camp. Based on current registrations, summer attendance is up 37% in the month of June alone.
- The paving of the main roads and pathways is fully funded and will be completed prior to the first week of camp.
- The Interns are having a successful trip to Romania.
- We hired a former LIFT intern, John Zuidersma, as a Maintenance Assistant.
- Our summer positions have been filled with quality people.
- For the generosity of our faithful contributors who give regularly with gifts both large and small to help underwrite the expenses of the camp. Gifts like these allow us to offer quality camping programs at as low a cost as possible.
- We already have 29 new churches bringing campers this summer.
- This was the largest and most fruitful winter on record.
- Many volunteers have come and remodeled several of the cinder block cabin interiors.

I PRAY FOR:

- Eldon Brock as his wife Trudy went home to be with the Lord April 1st.
- Doug Miller as he is leaving the camp to move closer to his parents and grandchildren. His eight years with Lake Ann have been a tremendous blessing to all of us who work with him and to those who have attended the camp.
- Ron Bouvier, Jr. as he writes the Junior High Camp chapel material. He currently is undergoing testing and has several physical concerns.
- The final plans for the programs this summer. We cannot wait!
- That the Couple's Retreat (April 21-23) will change families for Christ.
- More fishermen for the Fishing Frenzy (June 3-4) - we hope for a record year.
- The LIFT Romania team as they train Romanian Pastors in camping ministry. (They return April 12)
- The need for an RN to head up the health office this summer.
- Rich Dorsey as he travels to assist people with their estate plans.
