LAKE ANN BAPTIST CAMP

# PRAYER PARTNER NEWSLETTER

## I PRAISE YOU LORD:

- In an amazing display of God's provision we were able to end the 2005 fiscal year in the black. The year-end giving was tremendous. Praise The Lord!
- The calendar year 2005 went on record as the largest year in Lake Ann's history.
- Summer 2005 also went on record as the year with a record number of decisions in the following categories: Vocational Life Service, Baptism, and Witnessing.
- We have successfully contracted with a local horse stable to offer horseback riding for our 4<sup>th</sup> and 5<sup>th</sup> grade Junior Camp. This will be a great option for them and an opportunity to teach respect and responsibility at a critical age.
- We have several new churches that have voted to make Lake Ann their summer camp in 2006. We expect another exciting year of growth and deep impact.
- There are several new building projects that are already funded for 2006. Praise God for His abundant provision and support for this ministry.
- We were able to keep our 2006 summer fees at a lower rate of increase because of the generosity of God's people. We are grateful to be able to keep the increase to \$15 in a time when our energy and insurance costs are soaring.
- For safety as the Lake Ann staff traveled thousands of miles in 2005.
- Troy DeShano has been given hope that further treatment of his cancer is possible. When they told him that he still had cancer the initial news looked very bleak.

## I PRAY FOR:

- Troy DeShano as he will be having tumors removed from his left lung in January at the Cleveland Clinic. This will give them an opportunity to determine if they are cancerous and what the next step of treatment should be.
- Troy's wife Noel and their three children Sadie (3 years old), Gideon (2 years old), and Rivers (7 months old) as they will be going through a lot of unsettling times during the treatment period.
- A full camp in 2006 – full with campers who need the Lord and His message of hope.
- The recruitment of the 2006 summer staff. We are looking for individuals who love God, love people, and are already influencing their world for Christ.
- The staff as January is a big month for travel. Pray also for the staff families as their father or husband is away from home.
- Volunteers for a huge number of expansion projects are scheduled to be done before the 2006 summer season. If you know of workers please contact us!
- God to work mightily in our Freeze Out camps and for the guest groups here on site this month as well.
- Safety as we will have over 1,000 winter campers here in January - all enjoying lots of icy winter activities.
