## I PRAISE YOU LORD:

- Our Fishing Frenzy brought in over \$12,000! Many thanks to all who participated!
- For safety and protection during our first weeks of camp.
- The High Ropes course was refurbished and is working great for High School campers.
- The double Fresh Start programming during week #2 went fantastic! We ran a double program to accommodate an overwhelming signup for that week. Here are the decisions specific to that week of ninth graders:

Number of Campers	Salvation	Salvation Assurance	Life Service	Witness to Friends	Baptism	Devotions	Mentor Request	Other
86	6	13	23	45	5	42	8	15

- The following decisions were documented during the first two weeks of camp:

Number of Campers	Salvation	Salvation Assurance	Life Service	Witness to Friends	Baptism	Devotions	Mentor Request	Other
1002	100	101	114	312	122	411	33	215

- Gayle Yarick has accepted the position of Office Manager. She will begin August 1, upon the completion of her Master's Degree in Advanced Biology. Beyond office duties, she has a heart to upgrade our ability to teach using an outdoor adventure format.
- Andrew Postema's (LIFT Graduate and ABWE missionary to Romania) support level is now at 96.4%. The family is completing the packing process and will fly to Romania on July 17.
- Emaneul and Lidia Dejeu from Holy Trinity Baptist Church in Bucharest, Romania visited the camp from June 18-30 and Dan Cook and a team from Camp Paradise in Recife, Brazil will be here from July 23-28. They come to observe and learn so they can be more effective in the camping ministry in their country.
