LAKE ANN BAPTIST CAMP

PRAYER PARTNER NEWSLETTER

I PRAISE YOU LORD:

- The summer building projects are underway (Pines Cabin 2; Timberwolf 1,2,3; Clubhouse Coffee Shoppe; and a new Bathhouse/Laundry for the RV park).
- We are getting applications from many godly young men and women for our summer staff positions.
- The official Freeze Out attendance grew to 1,490 campers in four weeks. Over 60 campers responded to the Gospel message.
- We continue to receive correspondence from several new churches who will be attending this summer - many from long distances.
- For the volunteers that are lining up to be a part of our building projects.
- For continued safety as thousands of miles have been traveled recruiting staff and campers.
- For the ministry of Ken Rudolph as God is using him in significant ways - we are looking forward to his ministry at Couples Retreat as the attendance continues to climb to an all time high.
- For Rich Dorsey who consistently is helping people with wills, trusts, bequests and estate planning.
- For the camp board who met for a retreat in February to solidify the vision and long term direction of the camp.

I PRAY FOR:

- Troy DeShano, the camp's Media Director, who is undergoing another round of Chemotherapy at the Cleveland Clinic.
- Pray for Troy's family as this is a difficult time as they are living away from home during the treatment period (wife: Noel, children: Sadie, Gideon, and Rivers).
- Summer campers - We are praying for a significant increase in campers, as we will be able to handle more growth with the recent expansions. Each camper is an opportunity to set a heart on fire for God.
- More volunteers (beginning any time) for indoor and outdoor projects. A wide variety of skills are needed and we have accommodations and meals for any sized group.
- Our Camp Captains as they continue to recruit campers. We praise God for their passion and persistence as they help parents understand the value of camp.
- The mentors in our local churches that are following up with the decisions our campers have made at camp in previous years.
