

I PRAISE YOU LORD:

- For Ladies Retreat hit an all-time attendance record this year and many ladies were encouraged and challenged in their walk with Christ.
- As we continue to hear of a number of life-changing stories from the summer ministry.
- As Ken Rudolph has continued to see God working as he speaks in churches and youth rallies. Our prayers have been answered.
- For the Pine Fourplex; it is down to the final drywall and bathroom finishes and will soon be complete.
- For Mark and Betty Aldrink, as they have done an outstanding job of landscaping around the clubhouse. Volunteers are putting the final touches on the exterior.
- For the camp finances, which are in much better shape this year due to several cuts that have been made in spending. The turn around has been over \$250,000 in one year!
- For Aaron Bump as has accepted a position as the Worship Pastor at a church in Wapakoneta, Ohio. We are grateful for his years of service with us; as an intern, in the Guest Relations position, and as our worship leader.
- For Bill Follett, the volunteer who broke his ankle working at the camp. He had a successful surgery and is beginning his long recovery. He has been back at the camp and is already looking to the future for more projects.

I PRAY FOR:

- Andrew and Leah Postema, former LIFT interns who are in language school in Romania. It is going very well, but it is also a very challenging opportunity for them.
- \$20,000 needed to upgrade our chapel projection system to make the screen more visible on sunny days.
- Exiled, our new junior high retreats October 5-7 and 12-14. This year's speaker is Kyle Wisdom; pray that the Lord will give him the words that will speak directly to campers' hearts.
- The continuing need of \$900,000 to retire our debt within the next three years. A special word of thanks to the prayer partners who have contributed to the retirement of this fund.
- The camp board as they meet at the camp on October 16. This meeting will focus on our goals as we lay out the 2008 budget.
- The seniors retreat October 8-10. This year's speaker is Ken Floyd; pray for Ken as he prepares to share from God's Word.
- The continued planning of the 2008 summer camp, which has already begun.
- A person to fill our guest group season with campers as our new Guest Relations Director. His role will largely be in what would be considered 'guest group sales.' (Résumés are being accepted at this time.)
- More volunteers to help with the projects at the Pines and the Clubhouse; especially to hang drywall and lay tile.
- Ken Rudolph as he travels and speaks around the country and across the globe this month:

OCTOBER 2007

1	2	3	4	5	6	
7	8	9	10	11	12	13
14	15	16	17	18	19	20
